

AWAD Caravans Company was established in 1970 and has since specialized in manufacturing high-quality wooden caravans with competitive capabilities. In 2002, the factory was upgraded and expanded, making it one of the largest and best factories in the Middle East.

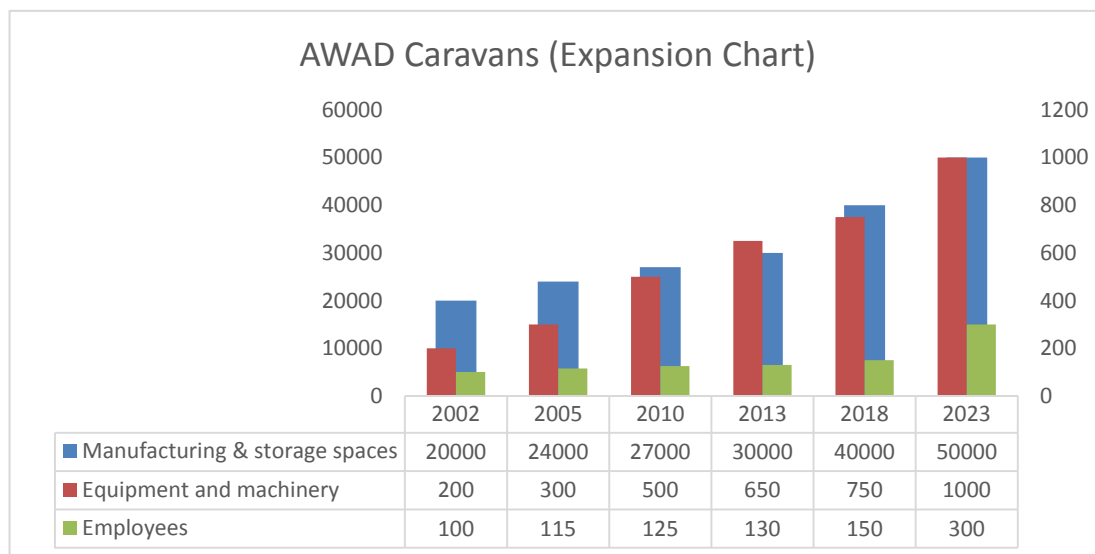

We started using insulated Sandwich panels to build caravans and prefabricated buildings, enhancing the quality of our products.

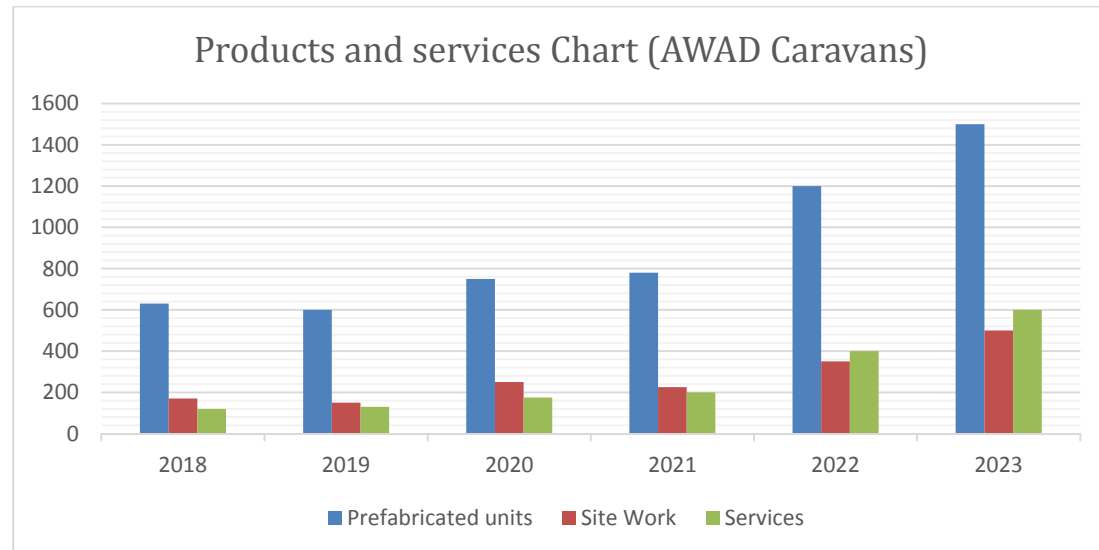

To facilitate the entry of our products into global markets, we opened branches in Cyprus in 2018 to access European markets, in Dubai in 2021 to engage with Asian markets, and in Egypt in 2022 to enter African markets.

Our team includes a large number of employees with various specialties such as managers, engineers, technicians, and drivers.

Our team possesses high expertise and the ability to efficiently manage manufacturing and delivery operations under any circumstances.

Currently, AWAD Caravans Factory has a high production capacity, and have the capacity and resources to increase this production according to market requirements and needs.

We provided caravans for many companies and organizations all around, and our caravans were spread in the world countries like Lebanon, Jordan, Iraq, Poland, Croatia, Tanzania and Nigeria.

Our company has been adopted by UN and most of its organizations especially UNICEF, UNDP, UNHCR, UN, WFP, UNFPA, FAO, WHO, UN-HABITATE, IOM, International Medical Corps, ICRC, PREMIERE URGENGE, DRC Danish Refugee Council, FCA - Finn Church Aid, GOPA, ONG Rescate International, Oxfam, NRC, ZOA-international, ADRA Adventist Development and Relief Agency
